Ida,

I hope all is well with you. Has EPA received a proposed Title V permit for Schiller Station in New Hampshire? I just wanted to check, just in case.

Thanks,

-Zack

Ida,

I wanted to check in and ask if New Hampshire has sent a proposed Title V permit for Schiller Station to EPA for EPA's review yet--has this happened?

Thank you, and hope all is well with you,

-Zack

Subject: Fwd: Sierra Club Comments Concerning the Draft Title V Permit for Schiller Station

Ida McDonnell,

Hello, my name is Zack Fabish, and I'm an attorney with the Sierra Club. I left you a voicemail earlier today concerning the proposed Title V permit for the Schiller Station coal-fired power plant in Portsmouth, New Hampshire, issued by New Hampshire DES. The Sierra Club submitted comments on that proposed permit, and I wanted to share those comments with you, and to ask if you would be available to discuss issues concerning the plant and Title V permitting in the region more generally. Is that something that could be arranged?

Thanks, and I look forward to hearing from you soon,

-Zack
